Testimonial from West Midlands Police regarding the Chinese Active Citizens Event for Southside, Birmingham.

Since February 2016 I have been using the services of Vanessa Yuk Tai TSANG who provides a Chinese Marketing Services in Birmingham. She has been actively involved in a partnership project with West Midlands Police to deliver the Active Citizens Programme to the Southside area of Birmingham, commonly known as the Chinese Quarter.

Vanessa and her team (Including Phil Choi and Ben Chan) were instrumental in providing the relevant marketing to the programme ensuring together, we targeted the right profile audience for the event. Vanessa is an extremely driven character and was professional in her whole approach to the project.

The marketing materials Vanessa had produced were extremely professional and she ensured that they fitted with the Corporate Image of West Midlands Police. Vanessa maintained regular contact with me and Birmingham Partnership Consultant Officer Lisa Houghton.

The event could not have been achieved without the knowledge and experience of Vanessa and her team and I look forward to working closely with them in the future to ensure the Active Citizen Programme is successful.

Vanessa has drive, enthusiasm and has a passion for the delivery of her product. I would have no hesitation of using her services again and I look forward to working with her and her team in the future.
